

Congratulations on your graduation!

The next step in the process is proof of graduation from a [CASLI recognized Interpreter Education Program \(IEP\)](#). Please [click here to fill out the form](#).

To prove graduation, please send a copy of either your diploma or official transcript. A scanned copy or photo will do. Please note, if you are sending a copy of your transcript, it must clearly indicate you have graduated from a recognized interpreter education program. If it does not, the office will not be able to accept the documentation.

Once the office has received proof of graduation, we can proceed to the final step to upgrade your membership, which is payment.

We look forward to receiving a copy of your diploma. If you have any questions or concerns, please let us know.

Thank you,

Sally Scheel  
CASLI Administrative Assistant
